

Certificate of Conformity of Factory Production Control

This certificate is issued to:

Manufacturer: **K. en W.A. van Rooijen B.V.**
Albert Einsteinstraat 14
3261 LP Oud-Beijerland, The Netherlands

In compliance with *Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011* (the Construction Products Regulation or CPR), this certificate applies to the construction product:

Steel structures for Process Equipment.

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in Annex ZA of the standard(s)

EN 1090-1:2009/A1:2011

**Execution of steel structures and aluminium structures - Part 1:
Requirements for conformity assessment of structural components**

under system 2+ are applied and that the factory production control is assessed to be in conformity with the applicable requirements.

The attached Schedule, of the same date, details the manufacturing location(s), harmonised product standard and product parameters and shall form a part of this certificate.

This Certificate will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.
